

The Association of Private Colleges of Technology and Vocational Education of Thailand Under the Patronage of Her Royal Highness Princess Maha Chakri Sirindhorn, formerly the Federation of Private Vocational Schools of Thailand, was established in 1984 to promote Thailand's private vocational education. With more than 400 institutional members throughout the kingdom, our missions are

- 1) Strengthening and promoting national education and vocational education provided by private sector.
- 2) Serving as the central organization for colleges of technology and vocational colleges to exchange knowledge and opinions, whilst collaborating with the government, Ministry of Education, related agencies and private sector to develop effective and efficient private vocational education.
- 3) Enhancing solidity and dialogues among executive boards, presidents, faculty staffs and students of vocational education institutions
- 4) Providing financial aids and other supplementary benefits for faculty staffs and students.
- 5) Enriching relationship with other educational associations and entities to promote efficient and effective vocational education.
- 6) Organizing activities and programs that enhance quality and competitiveness of our member institutions.
